ABOUT US

Polish manufacturer of cigarette making machines

Huzark designs and builds machines for compact cigarette production – from tobacco cutting and filling to packing and foil wrapping of finished packs. All machines are made in Poland, at our facility near Tarnów.

We supply complete lines for small and medium factories, private labels and distributors. Spare parts, service and consumables are available from stock for every machine.

Complete line

From tobacco cutting to a foil-wrapped pack – all from one supplier.

Made in Poland

Machines fully manufactured in the EU, near Tarnów, Lesser Poland.

12-month warranty

Plus post-warranty service and spare parts for every machine.

Fast support

We help you choose the line, start production and solve issues.

VISIT US

See the machines live

You are welcome to visit our facility near Tarnów, Poland. We will prepare a demonstration of Huzark machines, explain what they can do and help you choose the right line. You can buy the machines and take them with you.
